OUR SERVICES

✓ LITIGATION AND DISPUTE RESOLUTION

We provide legal services to our clients in resolving disputes before Indonesian courts and arbitral panels. Our litigation team has strong competence and expertise in the country.

Our litigation approach emphasizes normative advocacy in accordance with the applicable laws with a deep understanding of the client's problems. Our experience covers a wide range of cases involving multiple lawsuits from multiple parties, from resolving asset recovery disputes to high-profile cases.

✓ BANKING & FINANCING

Despite the recent decline in confidence in the banking and financial sector as a result of the global financial crisis, the banking and financial sector has proven to be able to continue to develop positively and continue to operate well.

Our legal team has extensive experience in representing foreign and local banks and financial institutions in the field of banking and financing. Our firm provides comprehensive legal services that cover all of our clients' financing needs.

✓ LABOUR LAW

Our firm provides legal services in various areas of labour law, including work permits for foreign workers, employment contracts, labor unions, and labour policies. We also represent clients in labour disputes in the Industrial Relations Court.

✓ INVESTMENT, MERGERS & ACQUISITIONS

Indonesia remains a favorite destination for investment by multinational companies and foreign investors, and in the advancement of the dynamic world of entrepreneurship, mergers and acquisitions still dominate the considerations of every decision-maker for the development of their businesses. In this field, our firm provides solutions, representation and legal advice for both foreign and domestic investors, private or state-owned. Our legal services cover the fulfillment of all requirements required by law and regulations, due diligence, and the preparation of related transaction documents.

GOVERNMENT PROCUREMENT OF GOODS AND SERVICES

In line with the Indonesian government's commitment to eradicate corruption in the country, many government agencies and state-owned enterprises are now paying serious attention and vigilance to the fulfillment of legal requirements in their projects, including in the procurement of goods and services.

Our firm has the legal expertise and experience required to provide education, advice, and assistance in this field. Our lawyers in this field work closely with our corporate lawyers and litigators to identify potential problems and provide solutions from various perspectives.

POSTPONEMENT OF DEBT PAYMENT OBLIGATIONS (PKPU) & BANKRUPTCY

We provide legal consultations to companies regarding PKPU and bankruptcy. These consultations cover discussions about PKPU and bankruptcy procedures, company rights and obligations, as well as the potential risks and benefits of PKPU and bankruptcy.

We represent companies in the PKPU and bankruptcy process. We have experience and expertise in handling various PKPU and bankruptcy cases, from simple PKPU cases to complex bankruptcy cases. Our team has extensive experience and expertise in the field of PKPU and bankruptcy.

INTELLECTUAL PROPERTY RIGHTS

We offer our proven knowledge on the registration and protection of trademarks, patents, copyrights, industrial designs, and trade secrets.

We provide legal advice for negotiations, preparation of related documents and agreements, registration applications, and public announcements.
